

## Calendar for October and November 2018

5 Oct	Prof Tapati Dutta delivered a talk on <i>Introductory Concepts on Cloud Physics</i> at Condensed Matter Physics Research Centre, Jadavpur University.
5 Oct	Prof. Sarbani Bandopadhyay acted as Resource Person for the 1 day workshop on <b>Sunderbans and Heritage</b> organised by the Dept. of Archaeology, University of Calcutta.
7 Oct	The Fine Arts Society organised a Photo Walk. A group of 30 students walked the streets of the city with renowned photographer Soumalya Ghosh.
10-11 Oct	Dept. of Microbiology organised <i>Modern Trends in Microbiology</i> , a 2 day National Seminar.
11 OCT	Prof. Ayan Chandra published a paper <i>Pathobiology of cigarette smoke-induced invasive cancer of the renal pelvis and its prevention by Vitamin C</i> in <b>Toxicology Reports, ELSEVIER</b>
12 Oct	Dept of Biotechnology organised a 1 day National Seminar: Frontiers in Biotechnology, Chapter 3. Speakers included Prof. Swapan Dasgupta, University of Calcutta, Dr Anirban Basu NBRC, Manesar, Rakesh Roy,SGCCRI, Kolkata, Dr S. Biswas, IICB, Kolkata, Prof. A. Bhattacharya, University of Calcutta, Dr M.C. Sarkar, NICED, Kolkata.
Oct	Prof. Anindya Dey published a book of poetry, <b>Amar Prithivi</b> . Published by Raktakarabee. Prof. Dey plans to publish a bilingual issue shortly.
18 Oct	Prof. Arghya Banerjee presented a paper <i>Intimate Encounters: The Indian Soldiers at the Front</i> at the Royal Library, Brussels, Belgium. The conference <b>Thinking Sex After the First World War</b> was organised by the Department of History, University of Antwerp.
Oct	Anwasha Chakraborti, Trina Dutta, Sushmita Mondal, Asoke Nath, “ <b>Application of Graph Theory in Social Media</b> ”, <b>International Journal of Computer Science and Engineering(e-ISSN: 2347-2693), Vol-6, Issue-10, Page: 722-729, October, 2018.</b>
Oct	Deep Kumar Ganguli, Asoke Nath, “ <b>Use of Facial Recognition for Authorizing Transactions made through Automataed Teller Machine</b> ”, <b>International Journal of Advance research in Computer Science and Management Studies(IJARCSMS, ISSN: 2321-7782, e-ISJN: A4372-3114, Impact factor: 7.328), Vol-6, Issue-10, Page: 46-52, October,2018.</b>
Oct	Jimut Bahan Pal, Asoke Nath, “Botnets: A Constant Threat to CyberSpace”, <b>International Journal of Advance research in Computer Science and Management Studies (IJARCSMS, ISSN: 2321-7782, e-ISJN: A4372-3114, Impact factor: 7.328), Vol-6, Issue-10, Page: 38-45, October,2018.</b>
Oct	Joyshree Nath and Asoke Nath, “ <b>Scope and challenges in Ecotourism : a comprehensive Study in Indian context</b> ”, <b>International Journal of Global Science research(ISSN: 2348-8344(Online)), Vol-5, Issue-2, Page: 761-770, Oct0ber, 2018.</b>
31 Oct	Prof Ayan Chandra was awarded his Ph.D. by the University of Calcutta for his thesis entitled <b>Some Contributions to Probabilistic and Statistical Aspects of Inventory Management.</b>
Oct	<b>Utsav Chowdhury and Mitu Roy, students of Bengali Hons 2016 batch, stood 1<sup>st</sup> and 2<sup>nd</sup> in the M.A. examination of Jadavpur University.</b>
Oct	Prof. Pabitra Debnath first-authored a paper <i>Some result on Fixed Point of Expansive Mapping Over Modular Metric Space</i> in <b>International Journal of Mathematical Archive – 9(10), Oct. 2018.</b>
Nov	Dr Anindita Banerjee contributed a chapter on <i>Polio virus Polymerase: An Effective Target for Design and Development of Antipolio Drugs</i> in Elsevier book on <b>Viral Polymerases: Structure, Functions and Roles as antiviral Drug targets</b> , published 1 <sup>st</sup> November, 2018.
NOV	Prof. Tapati Dutta co-authored a paper <i>Tree-like Patterns in Clay Dried in a Uniform DC Electric Field</i> . The paper was published in <i>Materials Research Express</i> Vol 6, No. 2
	Prof Tapati Dutta co-authored a paper <i>Formation of Desiccation Crack patterns in Electric Fields</i> , published in <b>Philosophical Transactions A</b> , The Royal Society, London.
6 Nov	Prof Suchandana Bhattacharya presented a paper “ <i>Memoirs of Motherhood by Maya Angelou</i> ” at an International Conference on Social Sciences and Humanities organised by IJAS at the University of London.
Nov	Prof Chandrani Biswas delivered a lecture <i>Theory of Translation</i> organised by Translation Workshop held at the ICCR.
16 Nov	Prof Chandrani Biswas delivered a lecture <i>Rewriting the Gothic in Wuthering Heights</i> at the Dept. of English, Diamond Harbour University in collaboration with the Centre for Victorian Studies, Jadavpur University. Prof Biswas also chaired a session at the seminar.
Nov	Dr Mahashweta Mitra Ghosh published a paper <i>Comparative Profiling of the Rhizospheric Soil of Typha-angustifolia from Heavy Metal Contaminated Soil</i> in <b>Indian Journal of Experimental Biology.</b>
26-28 Nov	Prof. Sharadia Dey presented a poster <i>Finding the possible facts of spatio-temporal variation of AOD over the lower part of the Ganges Plain of West Bengal, India</i> , at the Conference of Indian Aerosol Science and technology Association 2018 held at IIT, Delhi.
28 Nov	Prof. Argha Banerjee presented a paper <i>Et in Arcadia ego: Exploring the Pastoral in British Poetry and Panting of the First World War</i> at the Annual English Departmental Seminar, Basanti Devi College.
30 Nov	Prof. Argha Banerjee presented a paper, <i>I Taste Liquor Never Brewed: Quest for Identity in Emily Dickinson’s Poetry</i> , at the Autumn Seminar of JUSAS, Jadavpur University.
30 Nov	Prof. Christina Mirza presented a paper <i>Reading the Performances of Billie Holiday and Aretha Franklin</i> , at the Autumn Seminar of JUSAS, Jadavpur University.
Nov	Prof. Pabitra Debnath first-authored a paper, <i>On I and I Convergence in n-normed Linear Spaces</i> in <b>IOSR Journal of Mathematics.</b>
