

Department of Education

This year the Department of Education had a plethora of events. It started with the Internship Program for the second-year students in which they were given the opportunity to teach and modify their expertise as teachers in different esteemed schools of the city selected by the department. On the other hand, first year students celebrated Teacher's Day in the Department with lots of enthusiasm.

Three of the students from the Department got the opportunity to be a part of the one-month student exchange programme in the College of Saint Benedict, St. John's University, Minnesota, USA which proved to be a very enriching experience for them.

This year the department got the opportunity to welcome and arrange different lecture demonstrations, city tour, visits to NGOs for the students and faculty members of SUNY, OSWEGO during the International Exchange program.

The department was filled with the spirit of festivity during Xavotsav, in the month of January. The following month saw the Annual College Sports Day and the department whole-heartedly participated and won awards, including the "Third Highest Attending Contingent Award", the "Most Attractive Contingent Award" and the "Best Theme Award".

The department held two parent-teacher meetings in the month of March for first and second year students. It was followed by an Educational Excursion to Bolpur with the students of both the years.

The first and second year students presented different programmes under the leadership of their mentors in the respective club programmes. The Cultural Club and the Literary Club presented two programmes each in the department

and the Nature Club organized two extension programmes related to the environment.

This year the department launched its T-shirt in May which was designed by the students of the department following which the department very enthusiastically celebrated World Yoga Day. In July, the first year students welcomed a new batch of aspiring teachers through a traditional inaugural programme. It was followed by the orientation programme and the Foundation Course for the new batch.

The department did not miss the chance of wishing good health and prosperity to Father Principal on the auspicious occasion of his birthday. The students with the faculty organized a celebratory program and respected Father Principal Rev. Dr. Dominic Savio S.J. made the program successful with his presence.

The audit team visited the department and the meeting between the audit team members and the faculty was followed by an interactive session between the audit team and the students.

The department was also blessed this year to have a meaningful and enlightening meeting with Father Principal.

Inspired by the Ex-President of India, Dr. A.P.J. Abdul Kalam, this year the department introduced Vidya-Deepam, the village outreach program. The students and the faculty are actively involved in the mission of spreading the light of knowledge through this program.

The Teachers' Day program was once again beautifully celebrated in the department and it was graced by the presence of Father Principal and other dignitaries.
