NOTICE

In the light of the grave and uncertain conditions prevailing due to the pandemic, and keeping in mind the health and safety of all the stakeholders of St. Xavier's College, students, faculty, support staff, alumni, and college Fathers, it has been decided that the college will remain closed till the 9th of May, 2021.

The safety of our support staff, most of whom commute by public transport and some even by local trains, is of utmost importance. Their safety cannot in any way be compromised. Further, keeping present and future conditions in mind, it is important that the college premises be closed to all visitors. All offices, labs, libraries and other facilities will remain shut. Online classes, however, will continue till the last day of class which has already been announced.

The decision to reopen college after 9th May will be taken according to how the situation develops at that time.

(Rev. Dr. Dominic Savio, S.J.)
