

Name: Dr. Anindita Banerjee

Designation: Assistant Professor

Department: Microbiology

Institute with address : St. Xavier's College, 30, Mother Teresa Sarani, Kolkata-

Email ID:anni79in@gmail.com

Phone No: (033) 2255 1276

Academic Qualification: M.Sc, Ph.D (IICB)

Ph.D Thesis Title:“Evaluation of a medicinal plant- *Phyllanthus amarus* and its improvement at the genetic level.” Under Prof./Dr. S Chattopadhyay , IICB

Research Interest: Plant secondary metabolites play an important role in the lives of human beings. The secondary metabolites are of diverse types. Due to continuous use of antibiotics against bacteria it has led to the production of enormous number of antibiotic resistant strain. My interest is to isolate novel antimicrobial compounds from plants, either from their extracts or from cell suspension cultures of plant cells and to assess the properties of them as antimicrobial compounds. The chemical characterization of these compounds followed by using them in combinatorial drug therapy against microbes.

Genbank submissions:

- *Phyllanthus amarus* pinoresinol-lariciresinol reductase mRNA, partial cds submitted to GenBank (Accession No: EU660220)
- EST submission to NCBI (db EST)

GH985140 to GH985149

GH986493 to GH986516

GO344193 to GO344210

- cDNA library of *P. amarus* constructed and ESTs submitted to db EST

GT154235-GT154296

Orientation/Refresher courses attended:

Attended orientation programme in Jadavpur University, Feb 11 to 15th March 2014 organized by Academic Staff College.

Experience as Paper Setter:

Paper Setter of theoretical examination of Microbiology (General) under Calcutta University and Microbiology (Hons) West Bengal State University.

Experience as Examiner:

External Examiner of different theoretical and practical examinations of Microbiology (Honours) under Calcutta University.

Experience as National Media Resource Person:

Spoken on different topics of Microbiology (for the Undergraduate students of different Indian Universities) for the Educational Multimedia Research Centre (EMMRC), St. Xavier's College (Autonomous) Kolkata, which are being telecasted on National Television.

Acted as a resource person on DST sponsored "Skills and training programme in science and technology" (STST) in 2011 on selected topics on plant biotechnology.

Acted as programme coordinator for MOOC program on B.Sc Microbiology course in 2018.

Member of Indian Science Congress

Anindita Banerjee
