IN 2021

2021 poses new challenges but we're determined to create an **impact** amidst the new norms. The ingenious experience of TEDx talks is now being brought at the comfort of your homes, where a line-up of six notable speakers re-ignite the flames of exuberance and draw up a mesmerizing experience for the viewers.

SPEAKERS

Mr. Siddhant More
From a marketing intern at ITC to the Founder of Mad Over Marketing, Siddhant More has come a long way. Siddhant believes in setting targets and capitalizing on them with hard work. He dabbled on it to kill time during college and now, he is one of the masterminds in the world of marketing.

Mr. Niren Chaudhary
President and CEO of Panera Bread Co., a.k.a Aisha's super dad played by Farhan Akhtar in the movie The Sky is Pink. A celebrated industry leader with 25 years of international corporate leadership experience in the food retail & hospitality industry.

Dr. Kunal Sarkar
Chief Cardiac Surgeon & Senior Vice Chairman - MEDICA Superspecialty Hospital. Former President - Indian Association of Cardiovascular and Thoracic Surgeons (IACVS). A passionate debater, orator and writer. Dr. Sarkar is the President of the Calcutta Debating Circle (CDC).

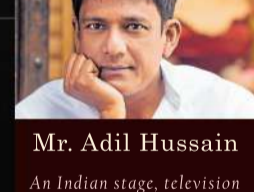

Dr. Sayansom Chanda
Founder of Sync Energy AI. He's the person who is trying to prevent the maximum casualties from natural disasters, before they happen.

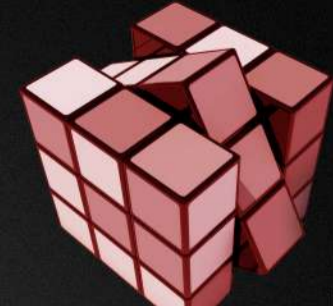

Mr. Sailesh Singhal
Founder of Youth of India- the only Organisation to receive special accreditations by the UN, the "Kulhad boy" Sailesh Singhal has become an epitome of global Youth Activists. Apart from working on several campaigns recognised by the UN addressing environmental concerns, Sailesh is also nominated by the Government of Saudi Arabia among the 60 people to participate in the Y20 Community.

Special Q&A session with

Mr. Adil Hussain
An Indian stage, television and film actor from the state of Assam, Adil Hussain is popular for being one of the finest actors in Bollywood. He has expanded his work to acting in International blockbusters like The Reluctant Fundamentalist and Life of Pi.
