Virtual Internship Programme on Sustainable Development Goals and Community Engagement

Date: 2.8.2021 to 25.8.2021

Time: 9.30 am to 10.30 am / Flexi time

Why this Programme?	India has given its strong commitment to the achievement of Global Sustainable Development Goals (SDGs) 2030. NITI Aayog sets the high-level framework and monitors progress at national levels. The National Education Policy 2020 stresses the importance of alignment of the Education System with the Global SDGs. The University Grants Commission has published National Curriculum Framework & Guidelines on Fostering Social Responsibility & Community Engagement in Higher Educational Institutions in India, which provides framework for the involvement of students in community engagement. In this connection, this Virtual Programme is planned to train the students on 'SDGs, Unnat Bharat Abhiyan and Community Engagement'.
What is the duration of the Programme?	This is a 100 hour programme spread over to 21 days with flexi time approach. Lecture series time: 9.30 am to 10.30 am
Who can participate?	Faculty members, Research Scholars and students of the Unnat Bharat Abhiyan Participating Higher Education Institutions in India. There is no registration fees for participating in this programme.
Who organizes the Programme?	The Regional Coordinating Institute, Unnat Bharat Abhiyan, Gandhigram Rural Institute (Deemed to be University), Gandhigram, Tamil Nadu in collaboration with the National Coordinating Institute, IIT, Delhi.
Methodology of the Programme	This Virtual Internship Placement is a learning experience placement that participants can do from their residence. During the Internship period, the Interns will meet the resource persons virtually, and learn for a period of about one hour daily with flexi time approach. The second part of the programme consists of mini project under the guidance of a Faculty Supervisor. <i>On successful completion, participation certificate will be issued.</i>
Learning Outcomes	This Internship will help the learners to understand the importance of SDGs, Unnat Bharat Abhiyan, and approaches to research and professional practice designed to stimulate community engagement
